FROM: Linda Forward *Linda Forward*
Interim Deputy Superintendent

SUBJECT: Alternative Education and Innovative Programs (Hours and Days)
Waivers 2015-16 Application Process and 2014-15 Required Report

The State School Aid Act, Section 101(9) [MCL 388.1701], permits the State Superintendent to waive the minimum number of hours and days of pupil instruction for alternative education programs or other innovative programs approved by the Michigan Department of Education (MDE). This waiver can only be granted for alternative education or innovative programs and is not intended for individual students.

The State Superintendent will consider applications for waivers of hours for programs that will operate for less than the required **1,098 hours** and/or less than the required **175 days** during the school year. Before submitting the waiver to operate less than the required **1,098 hours** of instruction or less than the required **175 days** of instruction, consider very carefully the amount of instruction time needed to deliver the Michigan Merit Curriculum. The waiver application also allows a district to apply for a 50 percent attendance waiver, as indicated in Section 101(3)(h).
